

WRECK ON S. A. L. BLOCKS TRAFFIC

Eight Freight Cars Derailed, but No One Injured—Tracks Cleared.

MEETS DEATH AT WAVERLY

Lumber Company Foreman Victim of Fatal Accident—Other Petersburg News.

Times-Dispatch Bureau, 6 Bollingbrook Street, (Telephone 1455).
Petersburg, Va., April 13. Eight cars of a Seaboard Air Line freight train were derailed early this morning near Butterworth's, in Dinwiddie county. No one was hurt, but the wreck blocked the track for some hours, and the through passenger trains of the Seaboard were taken around over the Atlantic Coast Line Road. The tracks were cleared and traffic restored during the morning.

Killed at Waverly.
Joseph Johnson, a trusted employee of the Gray Lumber Company, at Waverly, and foreman of the plant, was caught in the machinery of the plant yesterday afternoon and almost instantly killed. His left arm was torn from the shoulder. The deceased was a resident of Windsor, where he leaves a widow and three children. The body was taken to Windsor this morning for burial.

For and Against Instructions.
The Woodrow Wilson Campaign Club was organized last night by the friends and supporters of the New Jersey Governor. The membership of the club is said to be about sixty at the start, but a canvass is to be made of the wards to enlarge the membership. Speaker Byrd and Harry Smith, of Richmond, are expected to speak before the club next week. The officers of the club are: President, H. L. Smith; Secretary, S. H. Turner; Treasurer, F. O. Stralman. The object of the organization is to send instructed delegates for Wilson to the State and national conventions.

Sentiment is divided in the community as to the wisdom of sending instructed delegates from Virginia. A good many Democrats oppose instructions for any man.
Do Not Be Muzzled.
Mayor Cameron to-day issued a proclamation warning the public of the existing danger of rabies in the city and giving notice, in accordance with the emergency ordinance adopted by both branches of the Council, that all dogs allowed to run at large in the city shall be muzzled by their owners for a period of six months. The ordinance goes into effect immediately. Very few dogs are seen on the streets this afternoon, most of them being confined at the homes of their owners until they can be properly muzzled. A number of dogs suspected of having been bitten or of developing symptoms of rabies have already been killed, and others are confined under observation.

Personal and Otherwise.
The Rev. Chas. R. Stribling, pastor of Tabernacle Presbyterian Church, will deliver the address to-morrow afternoon before the Baptist Sunday School Association.
The Dramatic Club of Hampden-Sidney College gave their new play, "The College Chap," in the hall of the Southern Female College to-night. The club was afterwards brilliantly entertained at the college.

Died of His Injuries.
George Sermons, who, while sitting on the track of the Norfolk and Western Railway Wednesday night, was struck by an engine, died of his injuries in the Petersburg Hospital this morning, shortly after midnight. He was internally injured, his arms broken and suffered concussion of the brain. He never recovered consciousness and his injuries were seen to be fatal from the first.

Died in Maternity.
George Wilkinson, a worthy citizen of Mattonia, died suddenly at his home in that village last evening at 8 o'clock. He was for some time in the employment of the Virginia Railway and Power Company in this city and was well-known here. He was fifty-three years old and survived by his wife.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger, but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault-finder. A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

STEADY PROGRESS IN Y. M. C. A. WORK

Reports Made to State Convention in Annual Session at Roanoke.

[Special to The Times-Dispatch.]
Roanoke, Va., April 13.—The State Y. M. C. A. convention, which has been in session here for two days, will adjourn to-morrow night.

"The Call of the Nation" was the subject of an inspiring address by J. A. McDonald, editor of the Toronto Globe, before the convention to-day. Dr. McDonald urged his hearers to fulfill the obligations devolving upon them to meet and solve the problems that confront this land. He said the time has come when the great American republic must take its place and its share of the burden of the world. For years, he said, this country has lived to itself, sufficient unto itself. Now this has changed and America must go out among the nations and perform its part in destiny. Dr. McDonald was one of the principal speakers of the day.

The report of the State committee, read by Dr. Kent, showed a conservative and steady progress along all lines in the past year. Reports were made on the work of the city and town associations, the college associations, the county associations and the railroad department, and all showed marked progress. Similar progress was reported along all other lines. The financial statement showed the budget for next year to be \$15,000. The committee recommended the appointment of commissions on rural life, boys work, association efficiency, industrial work, and on new work, to report to the next convention. An increase in the membership of

[Special to The Times-Dispatch.]
Lynchburg, Va., April 13.—Judge Christian to-day, after holding up two applications, granted licenses for all the old saloons in Lynchburg for the year beginning May 1, twenty in all. RICHMOND GUN CLUB

The club had a preliminary shoot yesterday afternoon, and, judging from the scores made by those present, the records of the past season will be eclipsed.

Boyd was high gun, with 59 out of 100, with Hechler a close second, scoring 58. It was an exciting race between these two shooters through the entire program. Hechler led off with 24 out of 25, Boyd scoring 23, and thus it was to the end of the shoot.

Boyd won higher honors in 25, making a perfect score, winning the coveted honor of making the first straight on the grounds this season. McCloy faced the traps for the first time, and made a most excellent showing, accounting for 16 out of 30, which is far above the average for a new shooter, and it is predicted with practice will be in class "A" shooters during the season.

The management is exerting every effort to make the season of 1912 the best in trapshooting in this vicinity. Several new members have joined this season, and any one wishing to join the club just come out to the grounds any Saturday, Stop 24, on the First Street line, and they will receive a cordial welcome.

The club will shoot next Saturday afternoon at 4 o'clock, and a most cordial welcome is extended to trapshooters and those interested in this class of sport.

CLASSIC ENTRIES IN KESWICK SHOW

Annual Event in May Promises to Be Best Ever Held by Club.

[Special to The Times-Dispatch.]
Keswick, Va., April 13.—The ninth annual horse show of the Keswick Hunt Club will take place on the club grounds, Thursday, May 14. The club and its members are preparing to make this a banner year in the history of the show.

The first one on the Virginia circuit, and has always had a wonderfully fine showing of horses, especially in the hunter classes. The grandstand is to be enlarged and more boxes added, and everything done for the comfort and pleasure of the exhibitors and the public. Special trains will stop at the club grounds, making it convenient for those at a distance. The lady riders will be the best in Virginia, among them Mrs. Joelin, Mrs. Boock, Mrs. Morris, Mrs. Potts, Mrs. Russell, Mrs. Osborne, Mrs. Holloway, Miss Houselson and Miss Holloway. All these women hunt regularly with the Keswick Hunt Club and will exhibit their hunters who follow the Keswick hounds, in the Keswick Hunt Class.

Mr. and Mrs. Edward H. Fellows will be greatly pleased at the show this year, as they are leaving to spend some time in England, and exhibit at the "International" Mr. Allen Potts and her string of noted horses will also be entered.
Mr. and Mrs. Boock will be among the exhibitors, and show several horses. Among the best known will be "Granite." Ward will show some splendid harness horses. Dr. Archie Randolph will show his fine horses and hunters. Sidney Holloway will exhibit his string of hunters, which have won in so many shows.

Julian Morris will exhibit his stable of horses this year; he has by far the best string he has ever owned. Beside the "International" champions, "David Gray," "Tacomite" and "Keswick," he has a wonderful collection of green horses, one of the most promising of which is the black horse, "Overall," that in schooling this winter made the record broad jump of thirty-three feet, clearing four and one-half feet of timber, carrying 170 pounds. Another, that he looks to become a champion is "Devil," a chestnut thoroughbred, five years old. Mr. Morris considers that the best looking horse he has ever owned, and a wonderful jumper. In "Merry Christmas," he has a most beautiful thoroughbred type of lady's hunter, and she is sure to be heard from in the coming shows. In the heavyweight division, the Keswick show last year, and has rounded into a beautiful horse.
